Recommendation												
A-4: Dominod												
Action Required:												
Evaluation Conclusion:												
Is this project fundamentally sound with regard to design. Yes \(\square\) No \(\square\) (1) If yes, is it: Outstanding \(\square\) (2) Average \(\square\) Marginally sound \(\square\) (3)												
Explanation:												

⁽¹⁾ This evaluation will be forwarded to the State Design Engineer for further consideration and possible action.

⁽²⁾ The State Design Engineer will be informed of this conclusion.

⁽³⁾ Changes in the region's design process are expected if this is a recurring evaluation.
